Dear Friend,

May 2010

I am very pleased to announce the 2010 Air Force Association (AFA) Chapter 116 "Wings of Hope" Golf Classic, presented by SAFE Credit Union. On September 7, 2010, at Sierra View Country Club in Roseville, 120 golfers will join in the fun and festivities to raise funds to benefit education and military family support initiatives of Chapter 116.

AFA Chapter 116 has a sustained record of providing scholarships and other educational support to high school and college students. Additionally, the Chapter supports Sacramento-area families of military members who are deployed in the global war on terrorism. While the association is Air Force oriented, the support offered is to military families regardless of their branch of service, whether active duty, National Guard, or Reserves.

Chapter 116 has provided over \$100,000 in scholarships over the past seven years, and over \$40,000 in family support during the same time frame. The "Wings of Hope" Golf Classic is our major fund-raiser

Our one-day event includes lunch, dinner, golf, raffle and an auction. It will be a great day of fun resulting in thousands of dollars raised to support these most worthwhile initiatives. Your contributions and registration fees may be made to the "Education Foundation for Aerospace," a 501 c (3) non-profit organization, Federal Tax I.D. number 43-1988851. **All proceeds from the golf tournament will go directly to Chapter 116 education and family support programs.**

Your support of the **Educational Foundation for Aerospace Golf Tournament** will make possible our continued support of these very worthy endeavors. All donations are tax deductible. We respectfully request your assistance as a **sponsor** or **gift contribution for a prize**. **Suggestions for levels of support can be found in the body of the enclosed letter.**

Our very special regards and **thank you** for your generosity and continued support.
